I don't know who has been set up with an NHSmail address within my organisation?

Please contact picare@bpc.ac.uk to ascertain who has been set up via the fast track system

I have never activated my account and do not know my password? (*please note passwords should have been sent via text to your registered mobile number*)

Please contact the NHSmail help desk to request support (see next slide)

?

What is the correct solution to my NHSmail issue?

?

I have previously activated my NHSmail address but cannot remember my email address?

Please contact picare@bpc.ac.uk

I have previously activated my NHSmail address but cannot remember my password?

Please click on the 'forgotten password' link on the NHSmail login page
